

## WinRN Offers Grants to Nurses Worldwide

We are proud to award travel grants to encourage continued education for nurses at global meetings and conferences that focus on Primary Immunodeficiency. Grantees are awarded support for meeting registration, virtual or in-person attendance, and housing for the duration of the conference. WIN grants have been awarded to physicians and nurses in over 44 countries.

The WinRN travel grant provides funding to nurses to support travel to global conferences that highlight Primary Immunodeficiency. It's our hope that these grants enhance nurse education, promote awareness, and encourage a lively dialogue with colleagues in the field.
